TO WHOM IT MAY CONCERN

URGENT NOTICE TO ALL CONTRACTORS COMING ONTO HIQUALIME SITE

Please take note that as off 1 July 2017 no trucks will be allowed to leave the Hiqu Lime Site (Situating in Highveld Steel Industrial Park) without being Tarpaulin Covered.

The management of Hiqu Lime has made a designated area available where trucks can stop and cover the trailers with tarpaulins. If a truck was overloaded, the excess lime must also be dumped at this designated area.

Please take note that the Highveld Steel Industrial Park security received instruction not to allow any trucks to pass over the weigh bridge to leave the site, without being properly and completely covered.

We appreciate your understanding regarding this matter. Please feel free to contact me at any time for further enquiries.
